

KALASH — CUT 02

Indian Green Marble Basin

A basin cut from a single block of Indian green marble, the surface left in its native depth — moss, fern, river-shadow. The bowl is hollowed by hand and the lip turned outward in a soft curve. Cool to the touch in any season.

MATERIAL	Indian green marble (Udaipur), single-block hand-hollowed
ORIGIN	Workshop in Udaipur, Rajasthan
LEAD TIME	6–8 weeks from confirmation
DIA	45 cm
HGT	15 cm
